Verse 1

He gives an army to stand with us

Will wash us whole again

To the shame that took our voice
C#m B E
Now hear us roar

Nothing can stand against us

We will not surrender

For less than Jesus paid for

He's giving back what's stolen
C#m E/G# A B
We can hardly carry the generous portion

E C#m A

Now we have broken through

The walls our ancestors knew

And now joy reigns

Your love, Your grace changes everything
