BIRDS

Verse 1

Am G F Em
Who is this coming up out of Edom
Am G F Em
With garments stained with blood
Am G F Em
Marching forth in awesome splendor
Am G F Em
His feet have trodden the winepress of the Lord

Verse 2

Am G F Em
Here he comes leaping over my mountains
Am G F Em
Like a warrior returning from war
Am G F Em
With a smile he's laughing and singing
Am G F Em
All the earth trembles at his voice

Chorus

Dm Am Dm Am
I have risen, it is finished
Dm Am F G
Do not worry, the battle has already been won

Verse 3

Am G F Em
Lift your eyes beyond your battle
Am G F Em
See the cross and the tomb where I laid
Am G F Em
They are empty, I have conquered
Am G F Em
I hold the keys to hell and the grave

Verse 4

Am G F Em
Come up here and sit on my shoulders
Am G F Em
Wrap your arms around my mane
Am G F Em
We will ride out into battle
Am G F Em
You will win by resting in my grace
