## Verse 1

**DMaj7**                      **Am7**  
Who taught the stars to burn so bright?  
**DMaj7**                      **Am7**  
Who told the day that it wasn't the night?

## Chorus

**CMaj7**    **DMaj7**  
It was You, it was You  
**CMaj7** **Am7**              **F**  
It was You,              it was You

## Interlude 1

**DMaj7** **Am7**

## Verse 2

**DMaj7**                      **Am7**  
Who, who sent the warmth to melt the snow?  
**DMaj7**                      **Am7**  
Who, who held the winds, and showed them where to go?

## Bridge

**F**      **G**                      **F**      **Am**  
Nobody ever loved me like this before  
**F**      **G**                      **F**    **Am**  
Nobody ever loved me this way  
**F**      **G**                      **F**      **Am**  
Nobody ever loved me like this before  
**F**      **G**                      **Asus** **A**  
Nobody ever loved me this way

## Interlude 2

**DMaj7** **Am7**

## Verse 3

**DMaj7**                      **Am7**  
You, You sang a love song into my heart of stone  
**DMaj7**                      **Am7**  
You, You took my hand, now I'm never alone
