Verse 1

F Dm7
Hear the snowflakes falling
Gm C7 C6
Winter's calling my name
F Dm7
The silent song she's singing
Gm C7 C6
What's she trying to say?

F Dm7
"Can I fall like glory
Gm C7 C6
To wash your year away?
F Dm7
All that remains was
Gm C7 C6
Really meant to stay"

Verse 2

F Dm7
Come and clothe me, Winter
Gm C7 C6
I really need a change
F Dm7
Silent Redemption
Gm C7 C6
Cover me with grace

F Dm7
"Hear the song of beauty
Gm C7 C6
Melodies and sounds
F Dm7
Cover you in white love
Gm C7 C6
The joy you lost but now have found"

Chorus

F Bb
Sing, sing Winter
F C7 C6
Sing me your silent song
